## **Notice: Vacancies and Recent Appointments**

To all interested applicants:

Your new Boards and Commissions team is excited to engage with the public and bring in new and diverse voices. There are currently over 700 vacancies on Boards, Commissions, and Task Forces overseen by this office.

In an effort to increase transparency, our office is posting two different reports to show the various vacancies on important boards, commissions, and task forces in Arizona:

- The first report is a list of all vacant positions that boards and commissions currently have.
- The second report is a document identifying all appointments made by Governor Ducey from July 1, 2022 through December 31, 2022.

We encourage members of the public to apply to any board or commission through our website. Even if there are no current vacancies on your desired commission, there may be upcoming terms ending or those looking to step back for new voices to join.

Please apply through the application available on our website:  
<https://bc.azgovernor.gov/bc/form/boards-and-commissions-application>.

If you have any questions, please email us at [bc@az.gov](mailto:bc@az.gov). We look forward to working with you!

Sincerely,

*Christine Dyster*  
Boards and Commissions, Director  
Office of Governor Katie Hobbs
