Notice: Vacancies and Appointment Report

To all interested applicants:

Attached are two reports showing the various vacancies and memberships of boards, commissions, and task forces in Arizona:

- The first report lists currently vacant positions on boards and commissions, identifying boards with positions that will require Senate confirmation separately.
- The second report provides the membership of each board and commission as of December 31, 2023.

We encourage all interested members of the public seeking to serve our state to apply to a board or commission!

Submit your application through the following link:

<https://bc.azgovernor.gov/bc/form/boards-and-commissions-application>

If you have any questions, please email our office at bc@az.gov.

We look forward to working with you!

Respectfully,

Carlos A. Ramos
Director | Boards and Commissions
Office of Governor Katie Hobbs

The society may purchase, receive, hold, lease and sell property, real and personal, for the benefit of this state and use of the society. The society may solicit private monetary donations for program activities. The board of directors shall annually designate one or more historical organizations within each county of this state that are incorporated as nonprofit organizations and that are deemed to have a functioning program of historical value based on criteria established by the board of directors. The board of directors may organize chapters made up of groups of its members who have a common interest in a geographical area of this state or a common interest in a field of history, may provide for the governance of these chapters and may grant to any chapter the power to exercise authority of the society as the board of directors may determine. The board of directors, subject to legislative appropriation, may contract with certified historical organizations for services to be performed for the benefit of this state. The contracts shall be prepared by the Arizona historical society. The board of directors shall annually review the contracts to ensure fulfillment of their provisions. The board shall operate and maintain the centennial museum that houses the mining and mineral museum and may engage in other activities related to the museum as determined by the board or the executive director. Monies received pursuant to this subsection shall be credited to an account to be used for the maintenance and operations of the centennial museum that houses the mining and mineral museum.

 Gilbert M. Orrantia, Director

The Homeland Security Senior Advisory Committee examines how to integrate preparedness activities across disciplines, agencies, and levels of government, including state, territorial, local, and tribal units of government. A cohesive planning framework should be incorporated that builds and implements homeland security initiatives which leverage DHS resources, as well as other federal, state, territory, local, and tribal resources. Specific attention should be paid to how all available preparedness funding sources can be effectively utilized in a collaborative manner to support the enhancement of overall capabilities. The membership of the Senior Advisory Committee must, at a minimum, include the following State officials directly responsible for the administration of FEMA Grant Programs Directorate (GPD) grants and Centers for Disease Control and Prevention (CDC) and Assistant Secretary for Preparedness and Response (ASPR) cooperative agreements: the State Administrative Agency (SAA), ASPR Hospital Preparedness Program Coordinator, and CDC Public Health Emergency Preparedness Program Director. In addition, program representatives from the following entities should be members of the committee: State Homeland Security Advisor (if this role is not also the SAA), State Emergency Management Agency Director, State Public Health Officer, State Public Safety Officer (and SAA for Justice Assistance Grants, if different), State Court Official, State EMS Director, State Trauma System Manager, Statewide Interoperability Coordinator, State Citizen Corps POC, Urban Area POC, United States Coast Guard Area Command or Captain of the Port, Senior Members of the Regional Transit Security Working Group, Senior Security Officials from Major Transportation. WORKFORCE DATA TASK FORCE

Office of Economic Opportunity
Carlos E. Contreras, Mr.

D. The task force shall:

1. Oversee development and maintenance of the state workforce evaluation data system.

2. Define and regularly review requirements, structures and methodologies for the system, including:

(a) A retention schedule for unemployment insurance records that supports the longitudinal evaluation of workforce and education programs.

(b) Data standards relating to unemployment insurance data, including rules for definition, format, source, provenance, element level and contextual integrity.

(c) Technical requirements for the storage, handling and distribution of data.

(d) System performance expectations.

(e) Controls for data confidentiality and data security for unemployment data, including when data is in transmission.

(f) Data quality and reporting standards.

(g) Required elements for data sharing agreements that conform to relevant state and federal requirements and that establish adequacy of receiving system requirements.

(h) A methodology to fund the development and ongoing database costs from existing resources of entities that have entered into current data sharing agreements pursuant to section 23-722.04.

3. Provide analyses and recommendations for all of the following:

(a) Data audit management, including data quality metrics, sanctions and incentives for data quality improvement.

(b) Documentation standards for data elements and systems components.

(c) Data archival and retrieval management systems, including change control and change tracking.

(d) Publication of standard and ad hoc reports for state and local level use on workforce system performance.

4. Submit an annual report regarding the task force's activities on or before November 1 to the governor, the president of the senate and the speaker of the house of representatives and provide a copy of this report to the secretary of state. The initial report shall include all initial requirements, structures and methodologies determined pursuant to this section.
